

PRACTICAL NO : 04

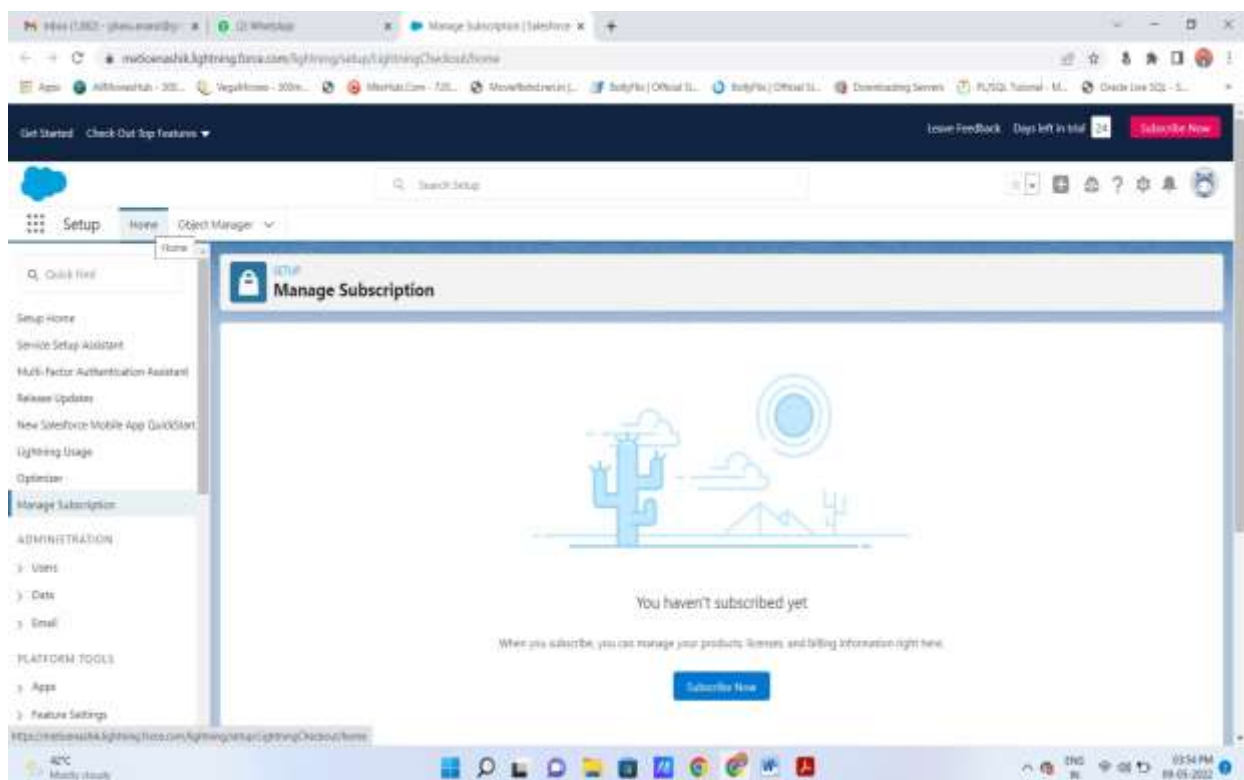

Title : Design and develop custom Application (Mini Project) using Salesforce Cloud.

STEPS TO CREATE AN APPLICATION(mini project) :

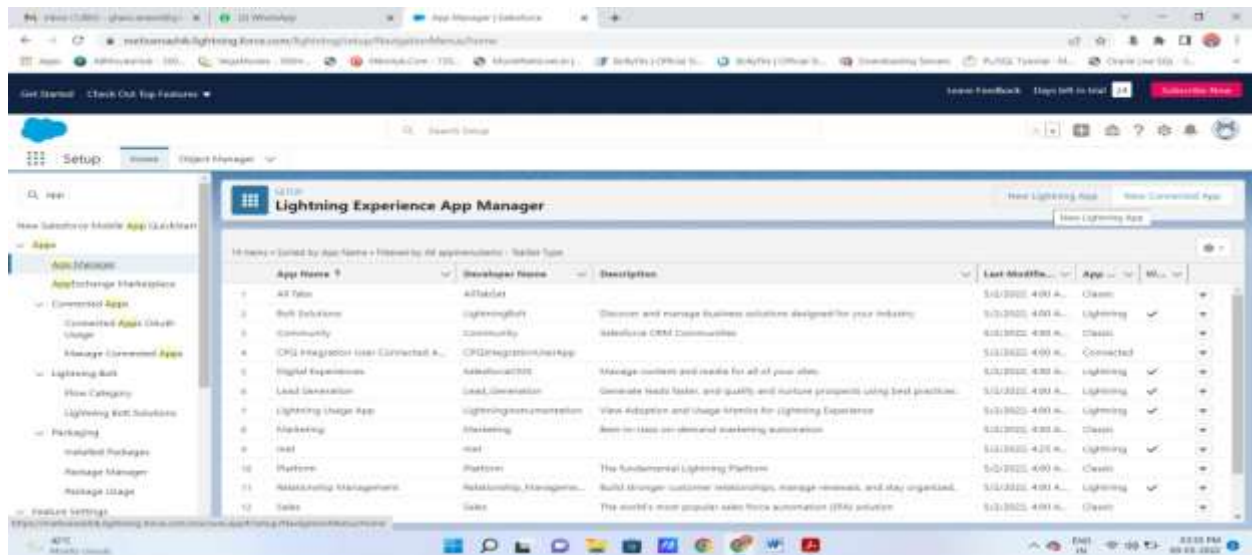

1. Open salesforce in Lightning Experience
2. Open App Launcher → View all → Quick Search → App Manager → Click on New Lightning App → fill the mention information → Next → App option(optional) → Next → Add Utility (optoinal) → Next → Navigation Item(you can add item) → Next → User Profile(use the user profile that can access this app) → Save and Finish.

You will get Lightning Experience App Manager Window → Search Your App by its name in App Launcher → just by entering some character, you can see app name with its logo → Click on App → you can see your application appearance in window → Output

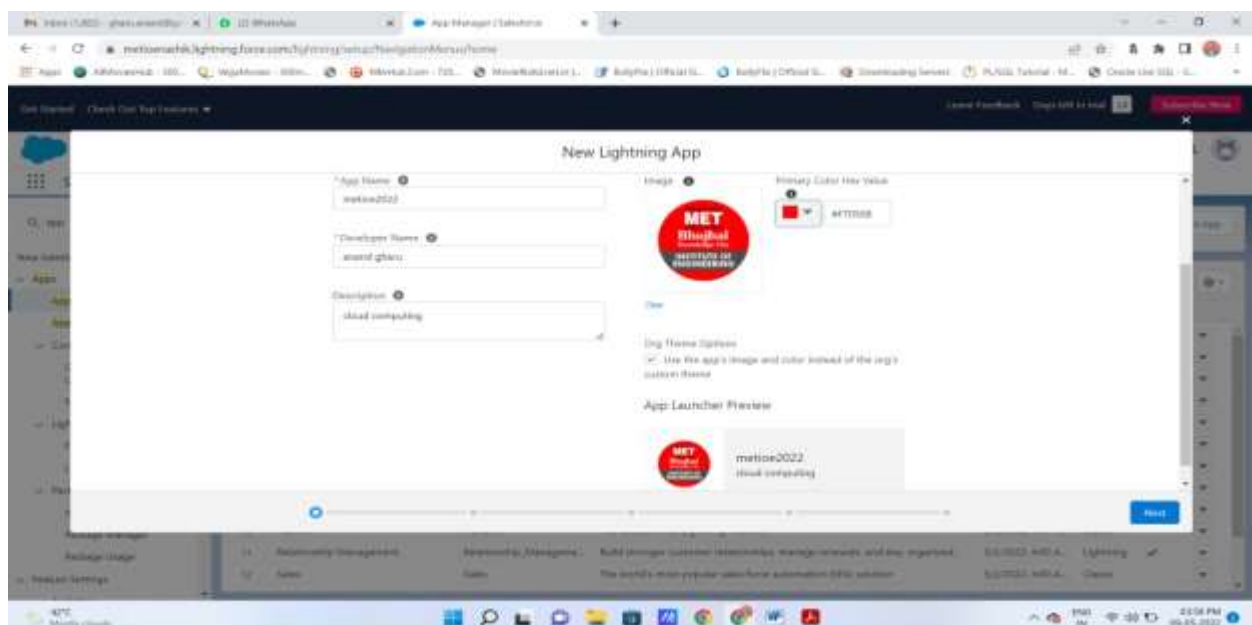

Note : steps images are provided here.....

1. . Open salesforce in Lightning Experience

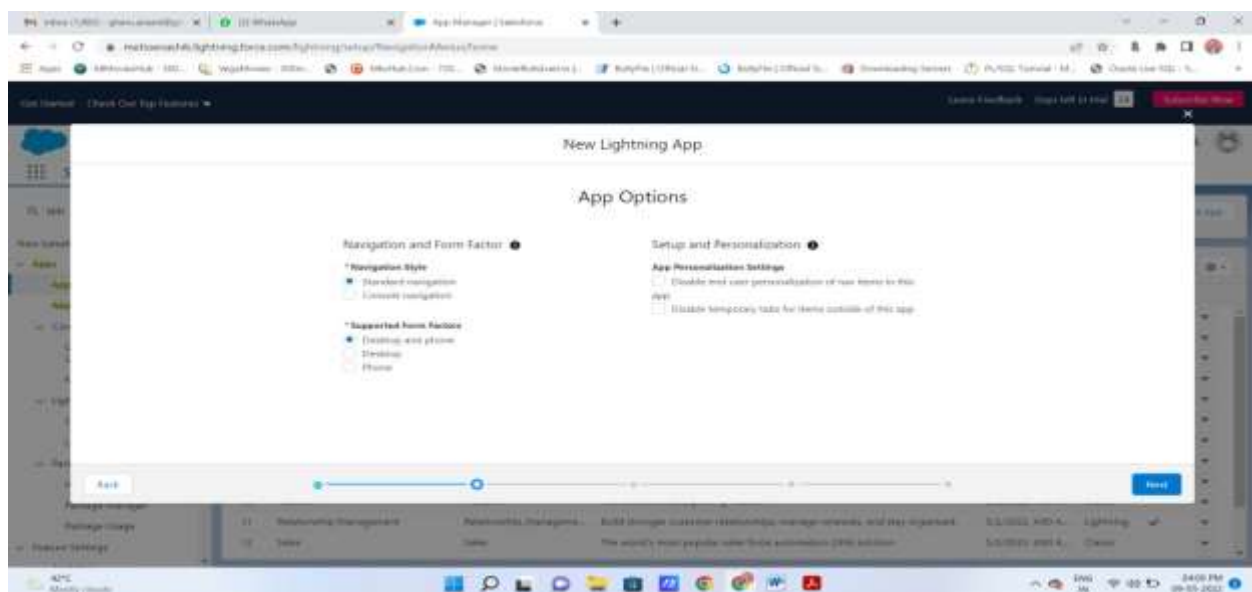

2. Open App Launcher → View all →(Quick Search → App Manager) → Click on New Lightning App

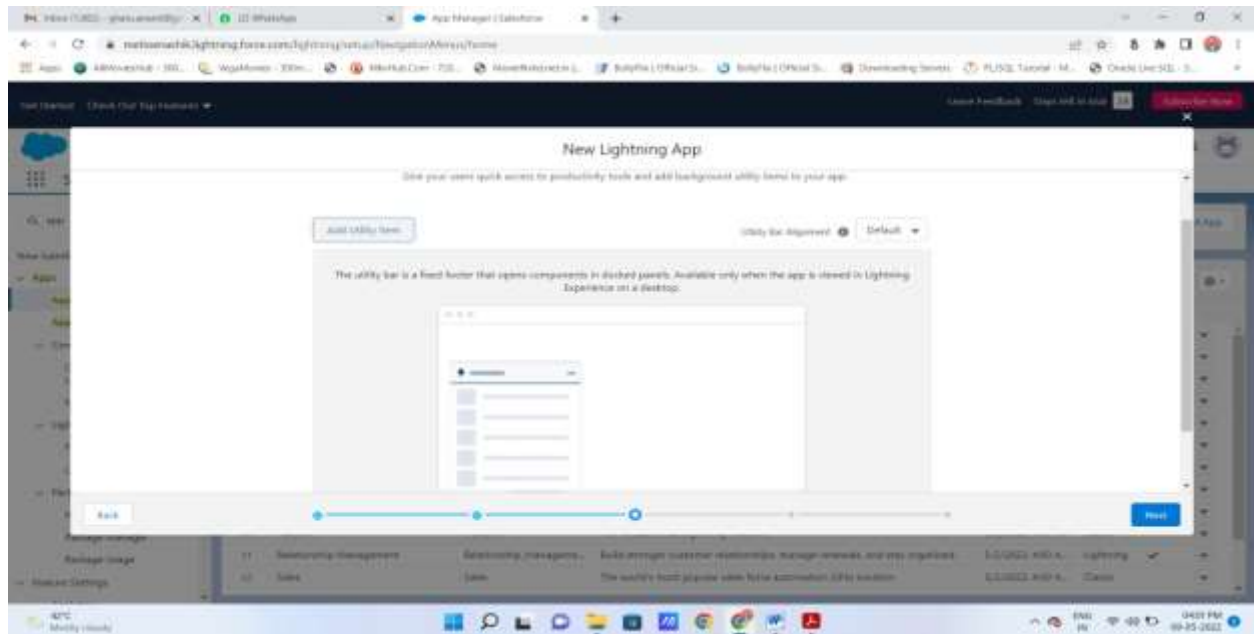

3. fill the mention information in new lightning app : then next

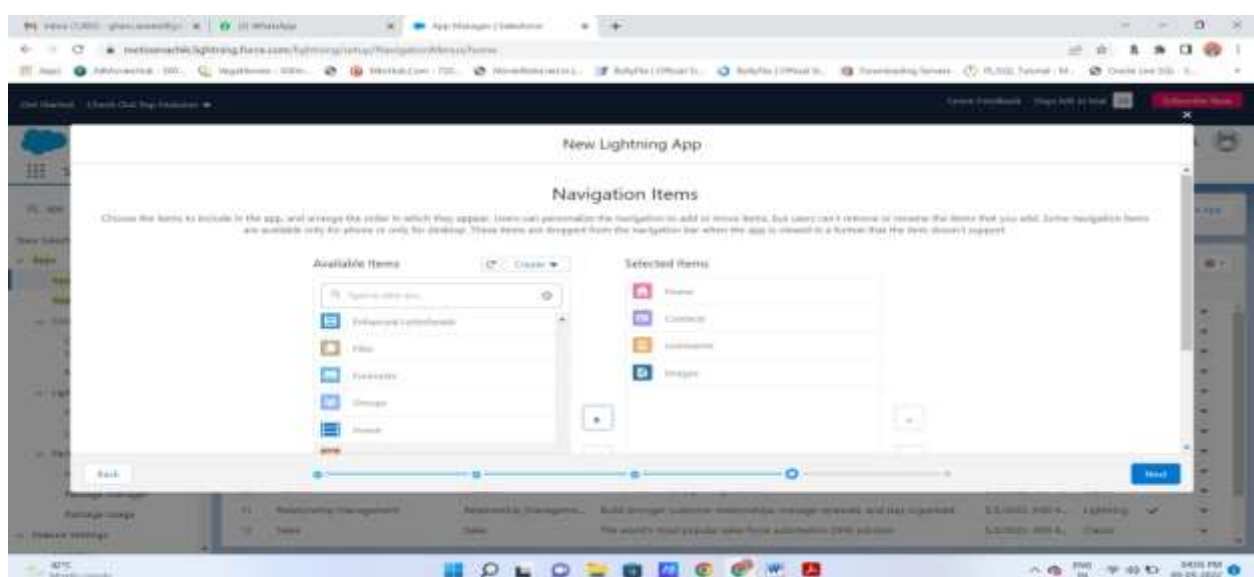

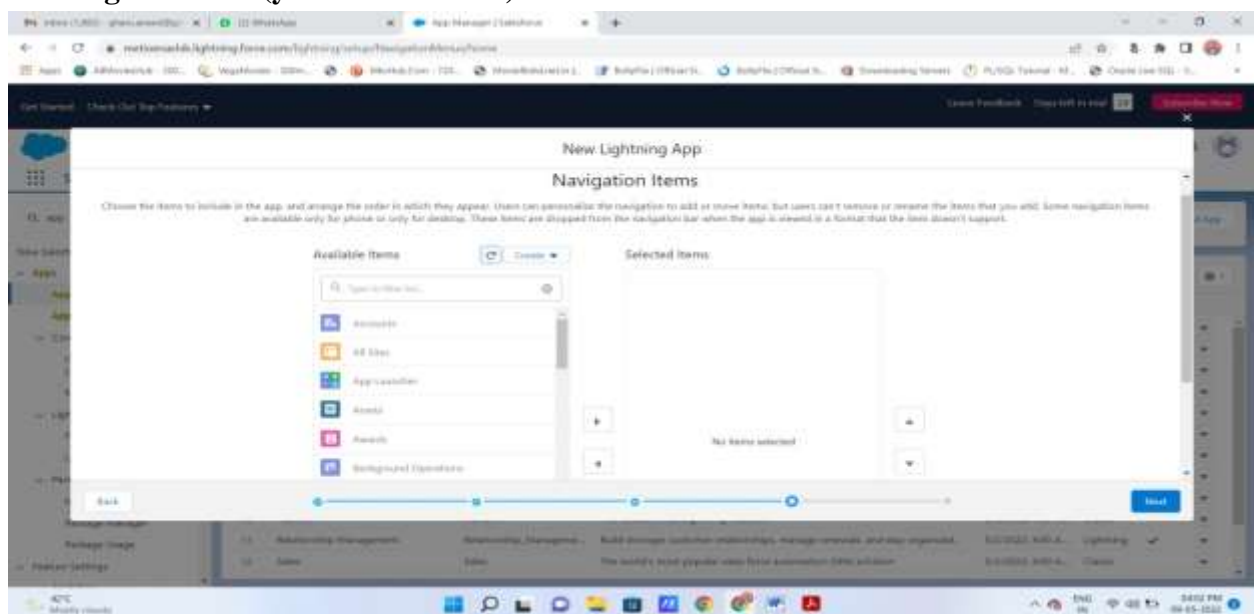

4. App option(optional) → Next →

7. User Profile(use the user profile that can access this app) → Save and Finish

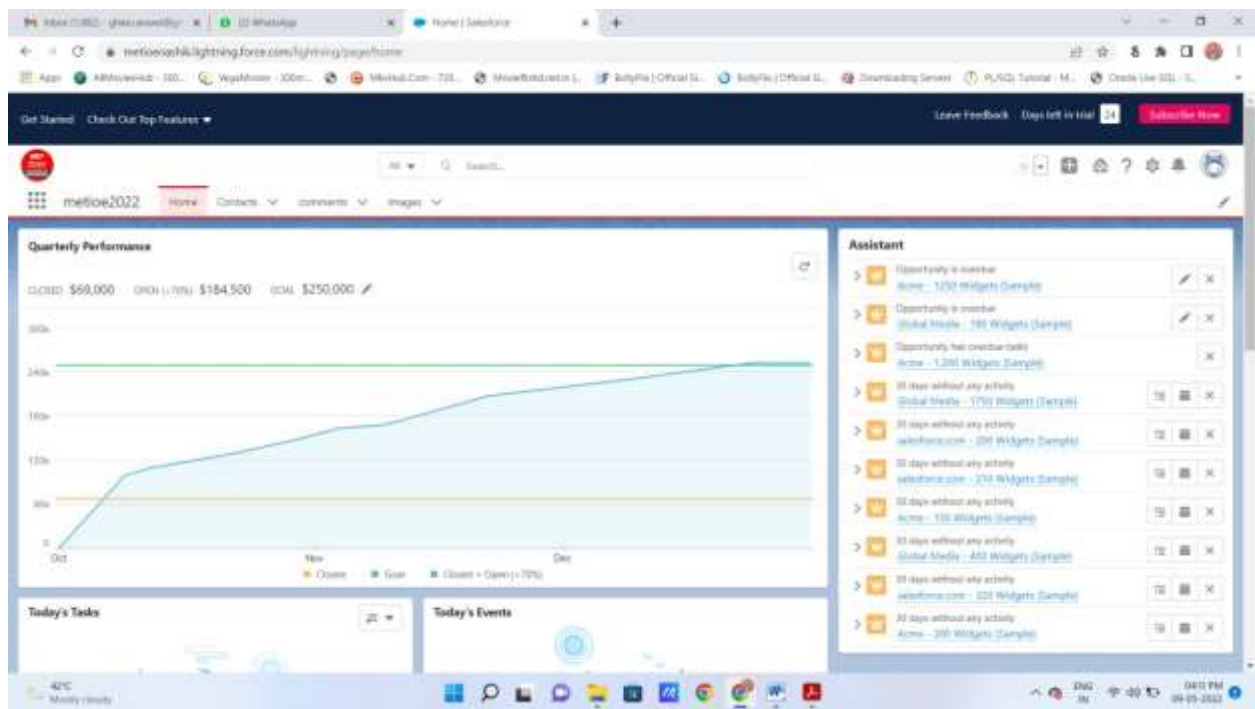

8. You will get Lightning Experience App Manager Window(here, you can see your application)

9. Search Your App by its name in App Launcher → just by entering some character, you can see app name with its logo → Click on App → you can see your application appearance in window → Output.

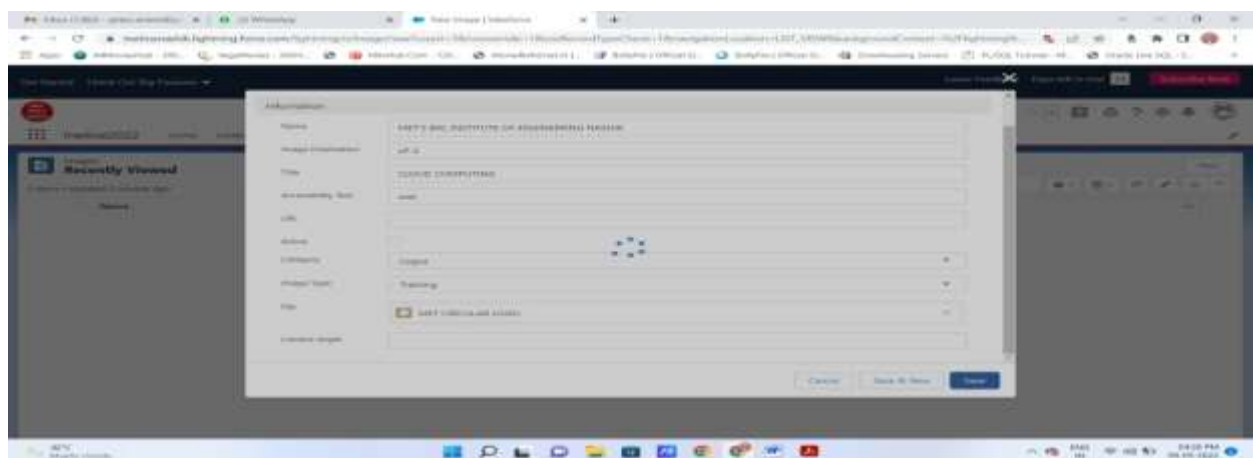

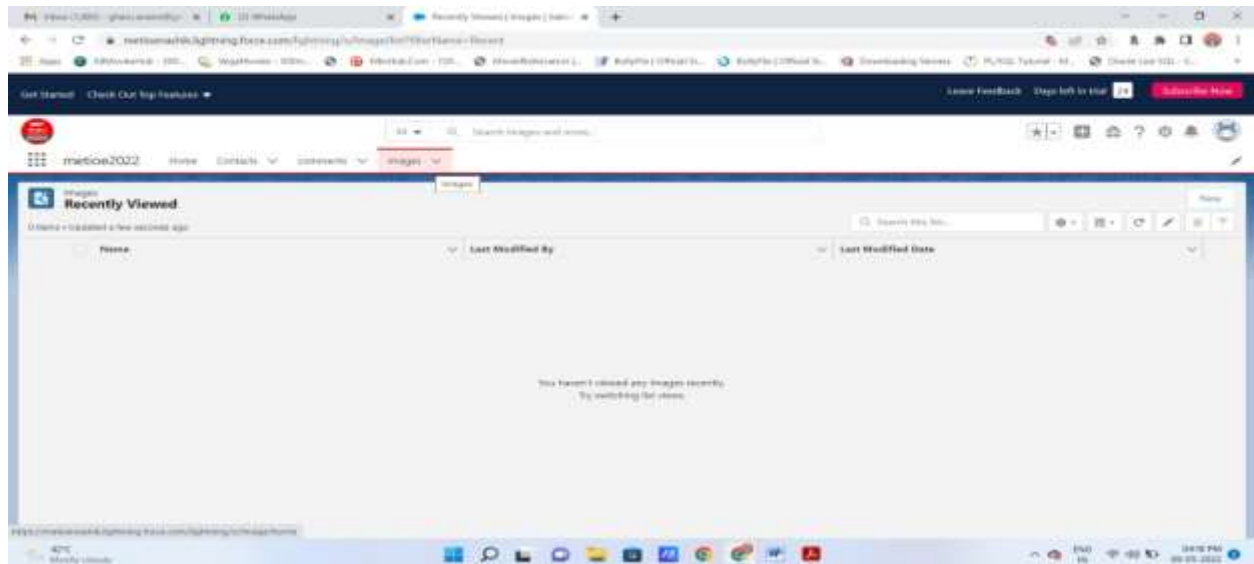

Output : You can see your application here....

10. You can add new contact in your application :

The screenshot shows the 'New Contact' form in the me60e2022 application. The form is titled 'New Contact' and contains fields for 'Contact Information', 'Name', 'Email', 'Phone', 'Address', 'City', 'State', 'Country', and 'Department'. The 'Name' field is filled with 'ANAND CHAMU'. The 'Email' field is filled with 'anand.chamu@gmail.com'. The 'Phone' field is filled with '9876543210'. The 'Address' field is filled with '123 Main St'. The 'City' field is filled with 'New York'. The 'State' field is filled with 'NY'. The 'Country' field is filled with 'USA'. The 'Department' field is filled with 'Computer Engineering'. The form also includes a 'Save & Add' button and a 'Cancel' button.

The screenshot shows the contact details page for Mr. ANAND NANDLAL GHARU ANG in the me60e2022 application. The page displays the contact's name, email, phone, and address. It also includes a 'Related' section with links to 'Related List Quick Links', 'Related Accounts', and 'Related Opportunities'. The 'Activity' section shows a list of activities, including 'Log a Call', 'New Task', 'New Event', and 'Email'. The 'Messaging & Overview' section provides a summary of the contact's activity and a 'View All' link.

11. You can add images also :

You can see here that image is added as MET Circular logo(its image file name) :

You can see actual image by clicking on link :

You mini project application get created

Note : you can add navigations, utilities , profiles as per your requirements for your mini project application.
